Fantastic experience and work. Great communication and produced an outcome that was exactly what I'd hoped for. Thanks!

★★★★★

Excellent work and great attention to detail. Mahmoud identified and corrected some issues with the data that another freelancer missed.

★★★★★

Mahmoud is very capable of scraping websites, and I appreciate his abilities. However, the lack of communication (sometimes not hearing anything for several days), and not receiving the completed work in a timely manner overshadowed his obvious skills. Replied On [upwork](#)
